1 If your LifeLock plan includes credit reports, scores, and/or credit monitoring features ("Credit Features"), two requirements must be met to receive said features: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE CREDIT FEATURES FROM ANY BUREAU. If your plan also includes Credit Features from Experian and/or TransUnion, the above verification process must also be successfully completed with Experian and/or TransUnion, as applicable. If verification is successfully completed with Equifax, but not with Experian and/or TransUnion, as applicable, you will not receive Credit Features from such bureau(s) until the verification process is successfully completed and until then you will only receive Credit Features from Equifax. Any credit monitoring from Experian and TransUnion will take several days to begin after your successful LifeLock plan enrollment.

No one can prevent all identity theft.

<sup>+</sup> LifeLock does not monitor all transactions at all businesses.

\*\* The LifeLock Junior plan is for minors under the age of 18. LifeLock enrollment is limited to employees and their eligible dependents. Membership is available only as an added membership to an adult LifeLock plan. LifeLock services will only be provided after receipt and applicable verification of certain information about you and each family member. Please refer to employer group for the required information under your plan. In the event you do not complete the enrollment process for any family member, those individuals will not receive LifeLock services, but you will continue to be charged the full amount of the monthly membership selected until you cancel or modify your plan at your employer's next open enrollment period, which may be annually. Please note that we will NOT refund or credit you for any period of time during which we are unable to provide LifeLock services to any family member on your plan after your benefit effective date due to your failure to submit the information necessary to complete enrollment. If you do not complete the enrollment process for each family member, you may continue to pay more for LifeLock services than you otherwise would if you had selected a lower tier plan.
