

## IDENTITY MANAGEMENT SERVICES

# MAXIMUM PROTECTION FOR A LIFETIME OF RISK

### IDENTITY FRAUD FACTS

**1 in 4 Americans  
experience  
identity theft**

SOURCE | AiteNovarica, U.S. Identity Theft:  
Adapting and Evolving, 2022

**\$500 the median  
amount of loss from  
identity theft or fraud**

SOURCE | Federal Trade Commission,  
Consumer Sentinel Network Data Book, 2023

**55% of identity  
theft victims report  
increased anxiety**

SOURCE | Identity Theft Resource Center, Consumer  
Aftermath Report, 2022

**Improve your peace of mind in every phase of life with proactive identity management education and support.**

Every stage of life introduces new fraud and identity theft-related risks. Attending college. Getting married. Buying a home. Retiring. To reduce risks, you and your family may want:

- Education to understand the behaviors that can expose you to fraud as you move through different phases of life.
- Support from specialists who can help manage your identities and resolve fraud no matter the life circumstances.

With Identity Management Services, powered by CyberScout, a TransUnion brand, you are provided with the comprehensive, proactive protection you need for peace of mind.

### Your identity, our award-winning team:

Identity Management Services provide you with a trusted, dedicated identity theft education and resolution resource. Our resolution support isn't just a binder of instructions – we provide customized, step-by-step help based on your unique situation. These services provide access to fraud and breach specialists who deliver:

- 24/7 support
- Personalized guidance
- Bi-lingual assistance when needed

With Identity Management Services, the phone calls and paperwork are handled by specialists who know how to navigate the recovery process, so you can stay focused on life and what matters to you.

**For assistance, please call 877-432-7463.**
