| Job Code: 300092 | FLSA Status: Non-Exempt | Mgt. Approval: G. Johnson | Date: July 2018 | | | | |
| Department: Across the System | | HR Approval: N. Lazaro | Date: July 2018 | | | | |
| JOB SUMMARY | | | | | | | |

The Clinical Operations Assistant supports a variety of Patient Care area leaders, programs and projects in the Inpatient, Ambulatory and Service Lines settings. The Clinical Operations Assistant is responsible for providing administrative support, employee assistance, and assisting their aligned leader(s) with a variety of tasks supporting department operations.

This position will provide support to leadership/operations which may include staff scheduling, processing payroll, department compliance as well as assistance with recruitment/onboarding tasks. To best support leaders, this position may have regular access to confidential information as it relates to employee attendance, department budgets and /or employer to employee relationships.

MAJOR RESPONSIBILITIES

Perform all or a combination of the following duties:

- In partnership with department leadership, coordinate administrative aspects of a department, unit, project or area, including preparation of reports, researching issues and assistance in updating policies, procedures, manuals, and administrative tools.
- Identify, document and provide feedback to management on issues that are observed as having an impact on operations and employees.
- Provide leadership support with management of calendars, maintenance of agendas, taking meeting minutes, and the coordination of activities and schedules of management and department teams.
- Compose and prepare correspondence, newsletters, presentations, and additional materials as needed.
- Enter, monitor, and report departmental data and information.
- Ensure departmental and staff compliance with applicable policy and procedure requirements, including quality control monitoring of time sensitive processes and procedures.
- Coordinate and monitor departmental needs such as the purchase of supplies, materials, services or equipment.
- Act as a resource, responds to questions and provides support to department staff as it relates to payroll, time-off, policies, procedures, education and scheduling.
- Perform other duties as assigned.

ALL DUTIES AND REQUIREMENTS MUST BE PERFORMED CONSISTENT WITH THE UW HEALTH PERFORMANCE STANDARDS.
