

## UW HEALTH JOB DESCRIPTION

### APPRENTICE-STEAMFITTER

Job Code: 410069	FLSA Status: Non-Exempt	Mgt. Approval: J. Harrod	Date: 8.2020
Department: Facilities-F&E Craft		HR Approval: J. Middleton	Date: 8.2020

### JOB SUMMARY

The nature of the services provided by this position may affect UW Health Patients, Visitors, Employees and departments. A wide variety of both internal and external relationships are involved in carrying out the duties of this position.

This position performs steamfitter duties, under the supervision of the Mechanical Trades Supervisor for Maintenance & Engineering Services and assigned Journey Worker at UW Health.

Maintenance & Engineering Services is committed to the highest standard of Customer Relations principles. Team members will serve as role models by practicing exemplary behaviors when working with patients, visitors and fellow staff members. The Hospital and Clinic operations environment requires quicker than normal response to system and equipment failures. The hours worked often require emergency response, frequently without immediate direct assistance from supervisor.

The Apprentice-Steamfitter is responsible for adhering to the requirements within the UW Health job description as well as the requirements outlined within the Steamfitter Apprenticeship contract.
