### **POSITION SUMMARY**

Under the supervision of the Pre- Post Nurse Manager, in conjunction with the Administrative Director, the Surgery Center Clinical Assistant is responsible for assisting the nursing staff in clinical and administrative functions. Responsibilities include, but are not limited to, monitoring patient flow, rooming patients, obtaining vital signs, and stocking rooms. The Clinical Assistant is an unlicensed individual who is trained to function in an assistive role to the Registered Nurse in the provision of patient care throughout the Surgery Center. The assistants are responsible for the general maintenance of patient care areas, assist with room turn-over, supplies and cleaning of instruments. The assistants provide general receptionist and clerical duties in order to facilitate efficient functioning of the center.

## **MAJOR RESPONSIBILITIES**

#### Pre-Post Area:

- 1. Assist with admission process as directed by the RN; escort patients to pre-op or procedure rooms, obtain weight, and vital signs,. Set-up/perform 12-lead EKG test as needed.
- 2. Perform glucometer testing and Urine pregnancy screening: report results to RN.
- 3. Discontinue IV's, as directed by the RN
- 4. Obtain specimens and transport/send to Lab or designated area. Complete appropriate laboratory testing request forms for appropriate test to be done. Gather all laboratory tests results and attach to patient chart.
- 5. Participate in patient/family teaching as direct by the RN, for example, crutch instructions
- 6. Participate in maintaining proper inventory levels of supplies.
- 7. Clean and stock patient care areas per standards and schedules.
- 8. Maintain a safe and orderly environment. Move all supplies/equipment to appropriate storage area.
- 9. Answer call lights and attend to patient needs.
- 10. Provide drinks and nourishment for patients in Phase II and post procedure area. Assist with ambulating patients.
- 11. Assist with discharging patients from center at the nurse's request.
- 12. Clean and maintain stretchers/chairs for use by incoming patients.

### Applies to all areas:

- 13. Adheres to MSC Pledge of Service Excellence and actions reflect respect for patients, families, and all health team members.
- 14. Assume all other duties and responsibilities as assigned, including phone messages, chart set-up, and transportation services.
- 15. Assist center with first rounds of AM admissions, chart prep, filing, data entry, faxing and copying as assigned.
- 16. Consistently seek to utilize time efficiently and effectively.
- 17. Attend staff meetings, educational programs, and safety programs

### UW HEALTH JOB DESCRIPTION

- 18. Document incident on appropriate forms per policy.
- 19. Follow the Surgery Center exposure control plans.
- 20. Maintain confidentiality at all times.
- Answer telephone using proper telephone etiquette; screen incoming calls and direct to the appropriate 21. departments or take and deliver messages in an accurate and timely manner.
- 22. Perform other duties as assigned by Nurse Manager.
- 23. Maintain personal attire which is professional, neat, clean, and appropriate for the Surgery Center.

# All duties and requirements must be performed consistent with the UW Health Service and Performance Standards.
