

**Supply Clerk:**

- Ensure our physicians, nurses, and other staff have the supplies needed to care for our patients.
- About every two minutes, you will fill ad hoc supply and patient care equipment orders from the supply catalog that consists of approximately 2,500 items.

**Sterile Processing Technician:**

- Clean and sterilize all equipment and instruments used in the OR.
- Interact with cutting edge surgical instrumentation and reprocessing equipment (assembling, sorting, and packaging the equipment while checking to make sure all equipment is functioning correctly).
- Work in a fast-paced environment that requires detailed, technical skills.

**Patient Services Aide (Patient Transporter):**

- Provide excellent customer service while safely transporting our patients to and from nursing units and various therapy/laboratory areas throughout the University Hospital and the American Family Children's Hospital.

- Ensure timely transportation and patient safety, comfort, and privacy throughout the transport.
- Document transport information on daily log sheets and obtain signatures from clinical staff regarding all cancelations, reschedules, and confirmations of patient drop-offs.

#### **Environmental Services Technician (Housekeeping/Janitor)**

- Work behind the scenes to ensure a clean and safe environment for patients, staff and visitors.
- Clean and disinfect facilities, using proper procedures and equipment.
- Play a critical role in hospital safety!

#### **Culinary Retail Assistant:**

- Accurately set up meal service lines, portion food items, serve meals, and work as a short order line cook.
- Cashier and provide efficient and accurate payment transactions in a professional manner.
- Sanitize dishes, cookware, equipment, and environment.

### **Patient Nutrition Assistant**

- Help make a difference in patient's lives by assembling and delivering safe, nutritious and delicious meals to support the health and recovery of patients.
- Maintain kitchen order by ensuring cleanliness of work areas.
- Sanitize dishes, cookware, equipment, and environment.
