

UNIVERSITY OF WISCONSIN HOSPITALS AND CLINICS

Student Nurse Assistant Application Packet

Minimum Qualifications:

- Current enrollment in an accredited Nursing program (Associate or Bachelor of Science) and successful completion of the program's hands-on entry-level clinical course.
- Current CPR/BLS certification

Application/Hiring Process:

- 1) Please upload resume and questionnaire + skills inventory to online application
- 2) Note: The skills inventory is used as a guide to your competencies. This information will be shared with the Nurse Manager during the interview process.
- 3) Recruitment will review your application and if selected, you will be contacted for a phone interview.
- 4) Based on unit vacancies and preferences, an interview will be scheduled with a Nurse Manager.

Salary:

\$18/hour for hours worked. \$2.75/hour differential for weekend shifts, Evenings: 3pm-11PM are an additional \$2.50/hour; Nights 11PM-7:00AM are an additional \$3.50/hour.

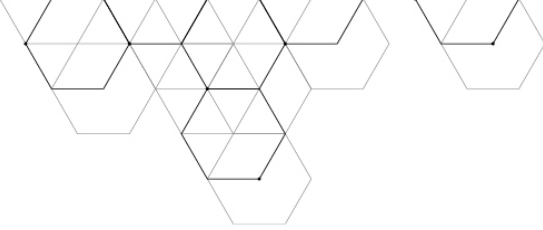

Schedule/Orientation:

Hours are posted for a four-week period. Shifts can include: 7:00am-3:30pm, 7:00am-7:30pm, 3:00pm-11:30pm, 7:00pm-7:30am and 11:00pm-7:30am.

- This is a year-round position; you are required to maintain your scheduled work hours during school breaks. Your Clinical Nurse Manager will discuss scheduling expectations.
- Your orientation includes New Employee Orientation, Student Nurse Assistant Orientation, and in some cases Ambulatory training which must be completed before you begin working on patient care unit or clinic. Orientations could be partial two days to a whole weeklong.

YOU MUST COMPLETE ALL OF THE ABOVE TO BE CONSIDERED FOR
EMPLOYMENT.
